

Woodlands Academy

Where boys do better

Academic success

Our main focus continues to be examination success. We are equally determined to build upon our success as a 'top 100 school' for sustained progress.

Care and support

Our unique House system has been praised by Ofsted as being 'a particular strength' and 'providing a strong sense of family'. We are proud of the care we offer our students.

High expectations

From the way our students dress in uniform, to the way they integrate with members of our local community and with each other, we expect behaviour and respect to be of the highest order.

Free Uniform

To assist **us** in maintaining our high standards and academic success, all students in Years 7-11 wear our uniform.

To enable **your son** to achieve his potential and be a successful student at Woodlands Academy, we will provide him with his first school uniform*.

We recognise that the cost of a secondary school uniform can be a great burden on family finances, so we will help **you** to get your son on the right track to future success by providing you with a saving of **£80**.

* Students joining Woodlands Academy in Year 7 in September 2011 onwards are invited to be a part of our new and exciting free uniform pilot project! The scheme will see each student issued with a free school blazer, school badge, school tie and colour flash as well as a PE kit consisting of rugby shorts, football shorts, polo shirt, sports socks and a reversible rugby top. This offer will give families a **huge saving of £80** per student.

Also, any student living over 3 miles from the school (within Coventry Local Authority) will be issued with a free bus pass.

Woodlands Academy, Broad Lane, Coventry, CV5 7FF.
